NET SALARY: \$945.00 USD

START DATE: 2024

KINICH SCHOOL

Kinich School is a virtual highschool for grades 9th to 12th. Through interactive classes and personalized learning experiences, we encourage students to develop academic, technological, and social-emotional skills and competencies relevant in the 21st century.

Kinich School's innovative educational system combines the best teaching practices, socio-emotional education, and the use of cutting-edge technology to educate global, creative, and highly socially conscious citizens of the future.

Our school headquarters are located in Austin, Texas, USA and we gather a culturally enriched community with presence in North America, LATAM and other countries.

WHO ARE WE LOOKING FOR?

We are currently looking to recruit a passionate, resilient and innovative Science/Math Teacher. Someone who can take our curriculum and light it up in a way that both engages and motivates our students.

We want to bring to our team someone fully committed to reinventing the teaching experience and with full awareness of the importance of our students and community.

QUALIFICATION REQUIRED:

- Bachelor's degree in Math, Physics or Engineering.
- Excellent English communication skills (B2-C2 English Level) or native speaker.
- Minimum of 2 years full time experience teaching, preferably in high school.

DESIRABLE QUALIFICATIONS

- Master's degree in Education.
- English level certification for non native speakers
- Basic iOS by Apple knowledge.
- EdTech skills.

SKILLS AND COMPETENCIES

- Commitment for education
- Growth mindset
- Resilience
- Teamwork and Initiative
- Creativity for problem solving
- Openness to feedback
- Assertive communication
- Openness to diversity
- Virtual class management
- Planning and organizational skills
- Digital and EdTech skills
- Proficiency with electronic devices (computer, tablet, smartphone).
- G-Suite management.

DUTIES AND RESPONSIBILITIES

- Foster a positive, safe and effective virtual learning environment for students.
- Develop lesson plans in line with our curriculum objectives specific for english classes at High School grades.
- Instruct through lectures, discussions, and demonstrations by using our virtual platform.
- Adapt teaching methods and instructional materials to meet the varying needs and interests of students.

- Motivate students and ensure both the acquisition of learning and goals achievement.
- Evaluation and monitoring of students' learning process.
- Establish positive relationships with parents for follow up.
- Actively participate in training sessions, work meetings or school commissions.

BENEFITS

- Great team to work with
- Personal and professional growth
- Remote work
